

2017-2018 UNUSUAL ENROLLMENT HISTORY (UEH) CERTIFICATION

Your 2017-2018 Free Application for Federal Student Aid (FAFSA) was flagged for Unusual Enrollment History because you received a Federal Pell Grant or Direct Loan funds at multiple education institutions during the review period 2013-14, 2014-15, 2015-16, 2016-2017. The Department of Education requires that before awarding additional Federal Student Aid, VCU must confirm enrollment information reported on your FAFSA.

How to resolve:

Select students with the National Student Loan Data System of Students (NSLDS) UEH Flag of "2" and all students with the NSLDS UEH Flag of "3" listed on their Student Aid Report (SAR) will be required to provide VCU a copy of their academic transcripts or grade reports from all colleges and universities previously attended during the review period. If Federal Pell Grants or Direct Loans were received and credit hours (passing grades: A-D) were not earned at each institution attended during these award years, the student may be determined ineligible for further federal financial aid. The Financial Aid Office has the authority to require an official academic transcript from any/all colleges attended during the review period if the documents you submit are unclear.

Please provide required documentation listed below. Your application for financial aid will not be considered until you submit this completed form and required documentation.

- Obtain an academic transcript or grade report for the entire period of enrollment you received Federal Pell Grant or Direct Loan funds at any/all education institutions during the review period of 2013-14, 2014-15, 2015-16, 2016-2017. Add your name and V# to the top of each page.
- List below the name of any/all education institution(s) at which you received Federal Pell Grant or Direct Loan funds during the review period. If you need additional space, please attach a separate page. Include your name and V# at the top of each page.
